Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Surge protection plug with integrated status indicator on the module for two 2-wire floating signal circuits. Nominal voltage: 24 V AC/DC

Your advantages

- Efficient use of space: the narrowest pluggable surge protection solution for 4-conductor applications
- Easy function monitoring: on-site or optionally via remote signaling, with optical monitoring, without additional effort
- Servicing without affecting the signal: replace the surge protection module without affecting the measuring signal
- Flexible choice: Push-in Technology or screw connection

Commercial data

Item number	1362694
Packing unit	1 pc
Minimum order quantity	1 pc
Product key	CL216Z
GTIN	4063151699086
Weight per piece (including packing)	14.7 g
Weight per piece (excluding packing)	14.7 g
Country of origin	DE
